#### FIRST WORD

Mahatma Gandhi University introduced the Centralised Allotment Process (CAP) in the academic year 2010-2011. Initially, admissions to PG Programmes alone were managed through CAP, but later it was extended to UG Programmes as well.

The greatest advantage of CAP is that the applicants need to submit only one application online for admission to any number of Colleges/Programmes. In thisway, they are able to save valuable time, energy and money. The applicants can also track the status of their applications from time to time. Thus, an excellent opportunity to choose the Programme/College of their choice in a hassle-free manner is open to the applicants. The decisive factors in the allotment for an applicant to a given Programme/College are the options submitted, academic record and other socially determined norms applicable. First of all, the marks /grades secured by a candidate at the +2 level decide the eligibility for admission to UG programmes. Under the Pre-CAP system, the applicants had to visit various institutions for the submission of applications and to keep in contact with them to get updates on the progress of admission procedure. CAP, on the other hand, opened a single window eliminating wastage of time, effort and money, besides minimising the element of anxiety from the point of the applicant.

The **UG CAP -Prospectus - 2025** provides the complete information about the online allotment process, and details of the colleges and programmes.

Above all the CAP team of the University is at a click/call away with technical assistance and guidance to the needy aspirants.

#### **ATTENTION**

The Prospectuses issued in previous years are not valid for the year 2025. This Prospectus sets out the rules and regulations for selection and admission to the four year undergraduate programmes (MG UGP) in affiliated arts and science colleges of the University for the academic year 2025 – 26 through Centralised Allotment Process.

This prospectus is subject to modification/addition/deletion as may be deemed necessary by the University.

The whole process of allotment to the UG Programmes will be done by the Mahatma Gandhi University. University will not entertain any request for change of any date fixed in the Centralised Allotment Process/Admission from time to time.

Candidates and affiliated institutions are also required to visit the website of the Centralised Allotment Process of the Mahatma Gandhi University – 'https://cap.mgu.ac.in' regularly for notifications and announcements.
